

## Obstetrics and Gynaecology skills day

The first level 4 skills day in the department of Obstetrics and Gynaecology was conducted on 6<sup>th</sup> and 7<sup>th</sup> February 2015. Students were taken through ten (10) obstetrics and (10) gynecology skills under the leadership of the chairperson, Prof. Zahida Qureshi, Prof Eunice Cheserem, Dr. Rose Kosgei and Dr. Alfred Osoti.

Some of the skills covered included;

Counselling in reproductive health, breech delivery, interpreting CTG, assured vaginal delivery, pelvic examination, shoulder dystocia, management of PPH, manual vacuum aspiration (MVA), PAP smear collection, VIA/VILI, implant insertion and removal, IUCD insertion and removal, gowning and abdominal draping.

This training will be conducted every quarter to ensure competency in common obstetrics and gynaecological procedures.
