The College of Education and External Studies of the University of Nairobi is happy to announce that it has launched the following three Flagship Programmes in the fulfillment of Vision 2030 objectives. The Launch was on the **19th June 2013** at the Education Theatre II at the Main Campus University of Nairobi:

- 1. Master of Education in Administration and Planning.**
- 2. Master of Education in Educational Foundations**
- 3. Bachelor of Education ICT.**

1. Master of Education in Administration and Planning

specializing in:

- Educational Administration
- Economics of Education
- Educational Planning
- Curriculum Studies
- Corporate Governance
- Education in Emergencies

The purpose of this degree programme

The major purpose of this course is to train professional Teacher Educators and Administrators in Education with specialization in Educational Administration, Educational Planning, Curriculum Studies, Economics of Education, Education in Emergencies and Corporate Governance.

Specific Objectives of the course are:

1. To expose the learners/trainees to concepts, principles, practices and theories of Educational Administration, Educational Planning, Curriculum Studies, Economics of Education, Education in Emergencies and Corporate Governance.

2. To provide the learners with knowledge and skills and attitudes required in Educational Administration, Education in Emergencies and Corporate Governance.
3. To develop capacity to manage educational systems efficiently and effectively with a view to achieving the country's endeavours of vision 2030.

Admission Requirements are as follows:

1. The common regulations for Master's degree in all faculties shall be applicable.
2. The following shall be eligible for admission:
 - a. A Holder of a Bachelor degree of the University of Nairobi with two subjects studied at Secondary level or Primary and Diploma Teacher Training Colleges.
 - b. Holders of a degree of equivalent qualifications obtained from other Institutions recognized by Senate of the University of Nairobi as a comparable academic status.
 - c. A Holder of any other Bachelor's degree of the University of Nairobi with at least an upper second class honours and Postgraduate Diploma in Education (PGDE) or equivalent qualifications from other Universities recognized by Senate.
 - d. Applicants who wish to specialize in Economics of Education or Educational Planning must have studied Economics as a subject in their Bachelor's degree.

Fees:

1 st Year	211,500.00
2 nd Year	81,500.00
Total	293,000.00

Mode of Delivery

The main media of instruction will be well designed and interactive e-learning materials available online on the University of Nairobi e-Learning Portal and offline e-learning courseware. These will be supported by e-books and e-journal from the University Library and in addition well designed self-instructional modules delivered online.

There are competent and dedicated professional staff to support the students.

2

Application for the course

Application forms for September 2013 intake are available at the University Website and School of Education Kikuyu Campus or 8:4:4 Building at the Main Campus or at the following Extra Mural Offices listed at the end of this advert.

2. Master of Education in Educational Foundations

specializing in:

- History of Education
- Sociology of Education
- Philosophy of Education
- Adult Education and Community Development
- Comparative and Contemporary Issues in Education

The purpose of this course

The purpose of this course is to train Professional Educators and Thinkers in Foundations of Education of the past for understanding the present and planning a better education for the future.

The objectives of this degree program are as follows:-

1. To disseminate knowledge in Foundations of Education, dating from the rise of classical civilization in antiquity to the present.
2. To provide pre-service training and in-service professional development of teachers, tutors, lecturers and other relevant personnel.
3. To provide basic and capacity for policy oriented educational research in foundations of education.
4. To provide the learners with theories, knowledge, skills and attitudes to solve emerging and critical issues in education.
5. To benchmark our educational system with best practices of higher institutions of learning to accelerate the realization and achievement of Kenya Vision 2030.

3

Admission Requirements are as follows:

1. The common regulations for Master's degree in all faculties shall be applicable.
2. The following shall be eligible for admission:
 - a. A Holder of a Bachelor degree of the University of Nairobi with two subjects studied at secondary level or primary and diploma teacher training colleges.
 - b. Holders of a degree of equivalent qualifications obtained from other institutions recognized by Senate of the University of Nairobi as a comparable academic status.
 - c. A holder of any other Bachelor's degree of the University of Nairobi with at least and upper second class honours and Postgraduate Diploma in Education (PGDE) or equivalent qualifications from other Universities recognized by Senate.

Fees:

1 st Year	211,500.00
2 nd Year	81,500.00
Total	293,000.00

Mode of Delivery

The main media of instruction will be well designed and interactive e-learning materials available

online on the University of Nairobi e-learning Portal and offline e-learning courseware. These will be supported by e-books and e-journal from the University Library and in addition well designed self-instructional modules delivered online.
