

Tree Planting At College Of Agriculture And Veterinary Sciences – November 28, 2014

The College of Agriculture and Veterinary Sciences is organizing tree planting activities during the November-December 2014 rains season. The main tree planting ceremony will be held on **Friday 28th November 2014 at 10.00 a.m.** at the **Uni-Biopark, College of Agriculture and Veterinary Sciences (CAVS)**. The target is to plant 2,000 tree seedlings.

This is therefore to invite all ó students, staff, and institutions and individuals who have partnered and supported us in the past to you once again participate in the coming tree planting event. Some of the areas institutions and individuals would consider to support include providing labour to dig the holes, providing indigenous tree seedlings, supporting the three months post-planting care programme, or any other support including publicity of the event.
