

CHANCELLOR'S VISIT

The Chancellor, Dr. Vijoo Rattansi visited ADD Building - School of the Built Environment and School of the Arts & Design on Tuesday 5th August, 2014.

Her visit was aimed at touring facilities including studios, Lecture Theatres, Lecture Rooms, Laboratories and Workshops of various departments at ADD.

During her short speech at the at the Architecture Studio Level 4, the Chancellor who was accompanied by the members of the Executive University Management Board (UMB), expressed how happy she was, to have personally witnessed perfect facilities during her tour and that she was more than willing to support, in any way the availability of more facilities in CAE that would help in producing meaningful and productive members of the society in the future.
