

Three Ministers from [Isiolo County Government](#) visited the Department of Urban and Regional Planning to explore possibilities for collaboration between the Isiolo County Government and the University of Nairobi in the fields of Spatial Planning.

The [Isiolo County Government](#) desires and is committed to providing her citizens and investors well planned and serviced residential areas, business, industrial and institution premises as well as recreational areas befitting a national resort and services hub for Northern Kenya.

The University of Nairobi is host to the first Planning School in the East African region that for a long time trained planners for the public and private sectors as well as the NGO world.

When the collaboration is in place, [Isiolo County Government](#) will be able to tap into skills and expertise from the University of Nairobi. While the University of Nairobi will be able to train spatial planners based on Isiolo County.
