Location / Venue:

CAVS - 8-4-4 LT

The College of Agriculture and Veterinary Sciences (CAVS) started to receive the 2014/2015 first year students on 15th Septmebr, 2014 at 7.00am. The college registered over 900 first year students, which is the largest number of students who have ever been admitted in the college in one cohort. The registration exercise had been simplified, save to the University's adoption of ICT in service delivery.

In the registration exercise, students went through the following quick procedures all in one station;

1. Confirmation of fee payment and receipting
2. Confirmation of room allocation

3. Taking of student ID photograph and signature
4. Course registration in the two faculties within the registration venue
5. Submission of medical documents
6. Signing of nominal roll
7. Registration with student clubs and societies
