Dr. Yilma Kebede Visits SEMIs, CAVS

**Location / Venue:**

SEMIs, CAVS

Dr. Yilma Kebede, Senior Program Officer for Agricultural Development at the Bill and Melinda Gates Foundation, Seattle, USA, on Tuesday, 10/9/2014 visited The Seed Enterprise Management Institute (SEMIs) at the College of Agriculture and Veterinary Sciences (CAVS), University of Nairobi.

Dr. Kebede met the project team led by Prof. Agnes W. Mwang'ombe, the Principal, CAVS.

*Present from left: Prof. Kiarie (SEMI), Prof. Olubayo (SEMI), Dr. Kebede, Prof. A. Mwang'ombe (Principal CAVS), Dr. Rufaru Madakadze (AGRA), Ms. Caroline Adala (Assoc. Officer, AGRA) at the SEMI Factory*

During the visit, the outcomes of SEMI Phase I and the renewed Phase II all funded by AGRA. He visited the SEMI infrastructure which is currently under development. Phase I of the SEMI infrastructure project where there is seed processing factory is complete and only awaiting equipment installation. Phase II of the infrastructure project which is focusing on seed quality laboratory is 50% to completion.

CAVS fraternity indeed appreciates the visit made by Dr. Kedebe to SEMI but above all, to the College.
