

**Injured** students treated at the Kenyatta National hospital

Following the recent explosion at the Kikuyu campus hostels on Sunday 12<sup>th</sup> April 2015, injured students were rushed to Kenyatta National Hospital for emergency treatment.

Under the auspices of the mass accident team the College of Health Sciences and the Kenyatta National Hospital teams manned the casualty services

The surgical departments and laboratory services were in the frontline assisting our injured colleagues.

Department of surgery wishes to commend the student community for their quick and coordinated response to the accident. We acknowledge the medical students who were quick to the casualty department to see what assistance they could offer. Also to the student community from the various campuses in donating blood for their injured colleagues.

The department of surgery wish to send condolences to the family of the student who passed on.
