

VISIT BY NEW YORK UNIVERSITY TEAM

The School of Dental Sciences was visited by Prof. Peter Loomer and Yvonne Buischi of New York University.

The purpose of the visit was to discuss research collaboration and provision of dental outreach services to underserved communities in Nanyuki. The team was accompanied by Mr. Stephen Mnasya who is based in Daraja girls in Nanyuki. There was discussion on the signing of a memorandum of understanding (MoU) between the School of Dental Sciences, Department of Periodontology Community and Preventive Dentistry and New York University, USA.
