ed from a one month attachment at the University of
ology, Head and Neck Surgery. Her attachment was
fo March 23rd to April 18^t 2015. Her attachment was under the invitation of Dr. Mathews
L. Bush as a visiting lecturer.

This visit is part of an exchange programme the department of surgery has with
Kentucky university. Under this programme exchanges take place involving both staff
and students.

While there Dr. Irungu was involved in clinical and academic activities. She attended
the Kentucky Society of Otolaryngology annual meeting from 17th to 18th April 2015 held
at University of Kentucky Charles T Wethington Jr. Building. During this meet she
presented a paper entitled %Otolaryngology: A Kenyan perspective+
