

OFFICIAL OPENING OF THE DEPARTMENT OF PHILOSOPHY AND RELIGIOUS STUDIES RETREAT HELD FROM 19TH TO 21ST JUNE, 2014

The Dean, Faculty of Arts Prof. P. Chitere officially opened the Department of PRS Staff Retreat at KWS- Naivasha on 19th June, 2014.

The Department of Philosophy and Religious Studies held a retreat to review their programmes from 19th to 21st June, 2014.

While opening the Retreat, the Dean Faculty of Arts, Prof, P. Chitere congratulated the department for graduating almost half of PhD students graduating in the Faculty.

The Dean challenged the Department to move away from supply to demand driven programmes by the market nationally, regionally and globally. The Department also had the potential to tap into the religious community. The Department was advantaged with human resources in terms of Professors, Senior Lecturers and Lecturers. The Constitution gives further opportunities for example in leadership and integrity.

The retreat therefore was a good opportunity to reflect on embracing teamwork, coming up with programmes that are a niche to the market.
