

Prime-K planning workshop

The Dean, Chairmen and Nominated members of the School of Dental Sciences attended a Planning Workshop organized by PRIME-K from 24th - 26th July 2013.

The objective of the workshop was to discuss and plan the integration of the following activities piloted by PRIME-K into the curriculum:

1. Decentralized Training
2. Skills Lab
3. E-Learning
4. Research Support and Resource Centre
