

Mentoring Session with Children from Kibera

Prof. Jesang Hutchinson held a mentoring session with 17 grade 6 girls and 4 mentors from Kibera's rescue centre, Shining Hope for Communities (SHOFCO) at the Faculty of Agriculture building. The girls made a tour of the College of Agriculture and Veterinary Sciences held a 2 hour mentoring session and then were hosted for lunch at the Hutchinsons' residence. The girls and mentors were very inspired to make their dreams of receiving a university education a reality notwithstanding the current struggles and challenges.
