

1. UON MARPs Project Planning Workshop

Date: 6th and 7th November, 2014

Location / Venue: Golden Palm Hotel, Kenol-Thika

The purpose of the workshop was to plan for the 5th and final year of the MARPs Project funded by CDC. During the 2 days, activity work plans as well as budgets were produced for each of the ten Drop-in Centers (DICES) in Central and Eastern regions of Kenya where the Project operates.

The 44 participants included the Project Director/PI, management and admin staff and technical staff from the DICES. Two officers from the College of Health Sciences, UON attended and provided technical support. The workshop was internally moderated and facilitated.
