

BEI Conference took the form of all participants (students from the University of Nairobi and other invited Universities) pitching their Business ideas before a panel of judges who shall then criticize and advice the participants.

As the students were pitching their ideas, the incubators and other Investors present were also evaluating the business proposals to pick the best ideas from them for funding or support. The best three business ideas and innovations from the conference as determined by the panel of judges were to be awarded by FISA.

The conference also included entrepreneurship and innovation talks from Industry experts and seasoned entrepreneurs to give the practical Perspective of entrepreneurship to the students.

Among our guest Speakers we had:

CEO, Unique Loos - Mr. Tom Makale

CEO, Onfon Media - Mr. Dennis Makori

CEO, Zege Technologies

Managing Director, East Africa Policy Centre - Mr. Mike Rotich

Techie & Coordinator - iHub Kenya

Former PS and Senior Lecturer UoN - Dr. Bitange Ndemo

From the Department of Finance & Accounting - Mr. Mwachiti

Representing the Dean - Dr. Mirie Mwangi
