

Liverpool Skills Lab Donations

Following a collaborative initiative between UoN and Liverpool School of Tropical Medicine, the department of Obstetrics and Gyneacology has received donations worth Ksh 3 million to improve training in emergency obstetrics. This has been achieved through the efforts of Prof. Cheserem who is School of Medicine representative at the College of Health Sciences Multidisciplinary Skills lab. Present at this initial reception are the MEPI Aim 1 lead who covers establishment of the skills lab facilities and Linda representing Liverpool School of Tropical Medicine.

Receiving of skills lab donations (Left to right), Dr. Kefa Bosire, Linda Omolo, Prof. Eunice Cheserem.

Prof. Eunice Cheserem.

Receiving of skills lab donations (Left to right), Linda Omolo(Liverpool School of Tropical Medicine), Dr. Rose Kosgei (Department of Obs/Gyn), Prof. Hassan Saidi (Chair Human Anatomy and Dean Preclinical departments), Prof. Eunice Cheserem, (Department of Obs/Gyn) Dr. Kefa Bosire (MEPI Aim 1 lead).
