

On Wednesday the 18<sup>th</sup> February the Dr. Daniel Ojuka conducted a training to familiarise examination committee members on the use of the newly acquired MCQ marker in the department.

With the marker now functional the department, and other departments in the school, will have a new experience in the marking of MCQ scripts.

In attendance were;

Dr. Kibet P. Shikuku	Human Pathology
Deborah M Mogi	Clinical Chemistry
Julius N. Irungu	Department of surgery
Marylyn Nabakwe	Department of surgery
Dr. Deepa Patel	Human Pathology
Dr. J. Kuria	Human Pathology
Wawire Wanjala	Department of surgery
Dr. Muchai Gachago	Ophtalomology

Marker kindly donated through funds from the office of the dean, school of medicine.
