

THE WAY TO THE CROSS

Easter celebration started early for Kenya Science Campus Nursery School, the way of the Cross as we all know is the journey of Jesus to the place of his crucifixion. It is also the suffering and sacrifice of a Christian. As we remember the death and resurrection of our Lord Jesus, let us follow our savior who carried his cross on the way to his death and glorification. May we become more like him in mind and heart. Mary Karanja from Amani Centre Institution was the Guest Speaker. She touched on the basis of parenting, but most of it all she emphasized on young ones to be given unconditional love.
