

Crown Paint Trains CBPS Maintenance Staff

Staff from Crown Paint (K) Ltd at the Painters Training Workshop in CBPS

Staff from Crown Paint (K) Ltd on Friday, June 20th 2014, took maintenance staff from College of Biological and Physical Sciences (CBPS) through Crown Paint product knowledge.

The training's objective was to impart painting knowledge to the staff. Crown paint employees displayed different types of paints and educated CBPS staff on paints that suite different environment.

This was a timely event as the College undertakes maintenance of buildings and lecture theatres as well as student laboratories.
