

WHO-TDR SPONSORED-SCIENTIFIC WRITING & PUBLIC SCIENCE COMMUNICATION FOLLOW-UP WORKSHOP AT KCB LEADERSHIP CENTRE, KAREN-NAIROBI MAY 7TH -8TH 2015

- The workshop was organized by **Dr. Micah Oyaro** & co PI Dr. Deepa Patel and Dr. Ann Barasa of Human Pathology Dept. and facilitated by a renowned **Prof. Gastel Barbara** of A & M Texas University, USA
- The participants (biomedical researchers) were from academic and medical researcher institutions and also from the Ministry of Health in Nairobi
- The workshop covered Scientific & Grant-Writing Skills, Networking/Collaborations and public science communication
- Participants shared their implementation experiences from the previous workshop held in Sept, 2014.
- Impact assessment of the first workshop indicated good progress in scientific publications and application for grant calls
