

CEBIB STAFF TEAM BUILDING ACTIVITY

On Saturday 13th December 2014, CEBIB staff attended a team building activity at the Lukenya Getaway located in the serene environment of Machakos county.

Apart from the fruitful sporting activities and bonding session, the team used the event to come up with CEBIB's strategic goals.

This was a follow up of the earlier brainstorming session held at Lenana Conference facility.

The event was made possible through the CEBIB/ Kemri-Wellcome Trust/ Malaria Capacity Development Consortium (MCDC) collaboration.
