

MSc. Applied human nutrition, food safety & quality present proposals

**Oral Presentation of Proposal of MSC AHN, FST and FSQ first years for the academic year 2014/2015**

On the 19th of March 2015, MSc. students who study Applied human nutrition and Food safety and quality made their presentations at the ANP Lecture Theatre, Department of Food Science, Nutrition and Technology. The occasion was attended by a good number of academic staff who gave insightful thoughts and suggestions to improve on the proposals.
