

## **SCHOOL OF ECONOMICS GRADUATES 521 CANDIDATES**

On Friday 5th December 2014, the School of Economics graduated the largest number of candidates in history broken down as follows:

(i) PhD - Economics 6 candidates

### **MASTERS**

(ii) MA- Economics 73 candidates

(iii) MA Economics & Policy Management 11 candidates

(iv) MSC- Health Economics and Policy 12 candidates

### **BACHELORS**

(v) Bachelor of Economics 186 candidates

(vi) Bachelor of Economics and statistics 233 candidates

**TOTAL** 521 candidates

On behalf of management, the director congratulates the graduands and wishes them well as in their future endeavours. Special mention of the 6 PhD candidates for making the School and the African Economic Research Consortium proud. The Director further thanks the staff at the School for all the effort they have put over the years to see the 521 candidates graduate. A word of appreciation also goes to our external examiners for thorough and more than timely examination. Last, but not least, we thank the University management for unwavering support towards our cause.
