REPORT: NUARSA EXPOSING STUDENTS WITH TALENTS TO GRAND PA RECORDING STUDIO IN KIBERA ON 19/7/2013

MESSAGE FROM THE CHAIRMAN (DANIEL OMARI OBIRI)

It's time to recognize those with talents showing them the genuine way in achieving this. The art has a big social-responsibility in shaping the society. So having talents being brought on board we will not only ensure that we help them earn a living but also become responsible members of the society. NUARSA under the CHSS support and my leadership will ensure that this come to pass.

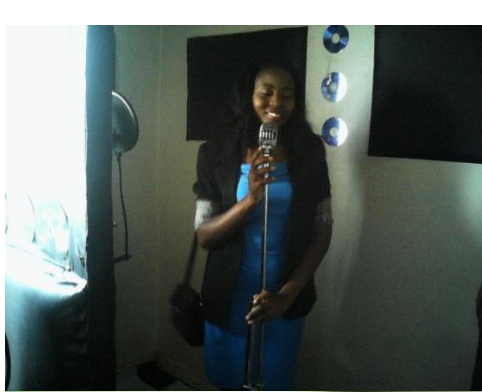

Be blessed you all for the support that you are ever giving to us.
