

Prof. David N. Mungai, Deputy Director, Wangari Maathai Institute participates in the GESL International Seminar in Tokyo, Japan

Prof. David N. Mungai delivering a lecture at Keio University, Japan

Prof. David N. Mungai who recently visited Japan delivered a lecture to Staff and Graduate Students in the Graduate School of Media and Governance (GESL) at the Shonan Fujisawa Campus, Keio University, Japan. The lecture was titled "sustainable Development in Africa: Challenges and Opportunities". Prof. Mungai's invitation to Keio University follows a successful supervision of a second year Japanese PhD student, Mr. Amane Kobayashi who was in Kenya between December 2014 and March 2015.
