

National Open University of Kenya Consultative Meetings

Date and time:

Mon, 2015-05-04

Location / Venue:

Moi University, Maseno University and Masinde Muliro University

Mr. Odumbe, The Director, Centre for Open and Distance Learning- University of Nairobi toured various universities in Kenya in his capacity as a member of the National Open University of Kenya technical committee.

The technical committee visited Maseno University, Moi University and Masinde Muliro University on the 8th and 9th April 2015. The purpose of these visits was to have collaborative discussions with the management of the universities regarding the formation of a National Open University. These universities have successfully implemented open and E-learning centers and shared a wealth of knowledge with the technical committee tasked with conceptualizing and developing open learning at a national scale.
