July 1st, 2015, Confucius Institute at University of Nairobi gave a warm welcome to the visit of Guo Ce, commercial counselor of Embassy Of The People's Republic Of China in The Republic of Kenya.

Mr. Guo Ce chatted with the teachers in CIUoN about their life and work in Kenya, and brought several scholarship programs given by the Chinese government for the students and staffs in University of Nairobi.

He hoped that these programs could make contributions to the communication of the two countries in various aspects and give more opportunities for students and staffs in the University of Nairobi to study in China.
