

BSc E-Nursing Rollout

University of Nairobi (UoN) Partnerships for Innovative Medical Education, Kenya (PRIME-K) and AMREF team rolled out the BSc Nursing course at Kijabe District Hospital, Kisii Level 5 Hospital and Migori Distric Hospital.

This is part of E-Learning platform in the efforts to roll out a BSc Nursing upgrading program. PRIME-Kenya, AMREF and Nursing Council of Kenya have partnered to provide computers and upload contents in the E-Learning centers established in hospitals across the country.
