

## **DR GICHUHI PRESENTS AT THE ROYAL COLLEGE OF OPHTHALMOLOGISTS CONGRESS 2015**

Date and time:

Fri, 2015-06-12 09:17

Dr Stephen Gichuhi presented a paper at the 2015 Royal College of Ophthalmologists congress in Britain. His presentation was on "A randomised Controlled Trial of Topical Fluorouracil (5FU) Following Surgery for Ocular Surface Squamous Neoplasia (OSSN)". He presented some preliminary results on an ongoing study on OSSN in various hospitals in Kenya which are part of his PHD research project.
