

MMed ORTHOPEDIC SURGERY 2ND YEAR RESIDENTS COMPLETED A TWO DAY BASIC SURGICAL SKILLS COURSE.

Dr. Ndungu , a lecturer in the Department of Human Anatomy gives instruction to some registrars in orthopedic surgery.

On the 8th and 9th April 2015, the Master of Medicine Surgery 2nd year students completed a two day Basic Surgical Skills Course at the Nairobi Surgical Skills Centre, Chiromo.

The course is offered every year by the department of surgery to Mmed 2nd year students.
