

# **NAIROBI UNIVERSITY ACTUARIAL STUDENTS ASSOCIATION (N'ASA)**

*N'ASA, Modeling The Future!*

# What is N'ASA?

**N'ASA is an organization of Actuarial Science Students at the University of Nairobi that targets to link the students with the professional world.**

*N'ASA, Modeling The Future!*

# Our Patron – Prof. P.G.O. Weke

*N'ASA, Modeling The Future!*

# Why join N'ASA?

- Get exposed to the Actuarial Profession.
- Interact with and learn from senior students in the course.
- Network with actual professionals through talks, dinners and internship programs.
- Have fun in the countless social activities.
- We are a part of Actuarial Students' Association of Kenya (ASSK)

*N'ASA, Modeling The Future!*

# How to join N'ASA

- Simply pay a registration fee of **Ksh. 500** that caters for the entire 4 years.
- That translates to a paltry Ksh. 4.17 weekly!
- Provide a signed passport photo to process your membership ID card.

# How to interact with N'ASA

The image shows a screenshot of the Facebook page for the Nairobi University Actuarial Students Association (N'ASA). The page header includes the URL <https://www.facebook.com/chiromo.nasa> and the search bar. The page name is "Nairobi University Actuarial Students Association" with a search icon. The profile picture is the N'ASA logo, which features the letters "NAS" in a stylized font with "MODELING THE UNIVERSITY" below it. The cover photo shows a group of students. The page is liked by 179 people, and recent likes are listed for Nidhi Shah, Maxwell Muturi, and 20 others. The "PEOPLE" section lists Boaz Omuga (Invite Sent), Sally Kasyoki (Invite), and Vidal Nyosh Kanyoro Kapucho (Invite). The "ABOUT" section indicates it is the official page for Nairobi University Actuarial. The main content area shows a post from the page dated September 15, with the text "Get your copy of the annual NASA Magazine at the registration desk. #UoN\_Orientation" and a photo of students. The right sidebar includes a "Create Page" button, a "Recent" section showing the page was founded in 2012, and a sponsored advertisement for furniture from pigame.co.ke.

To those doing their CT exams this week  
Best of luck if you believe in it, God be with you if you believe in Him. May the Forces be with you

# ACADEMICS

*N'ASA, Modeling The Future!*

**THE UoN BSc.  
ACTUARIAL SCIENCE  
COURSE (107)**

*N'ASA, Modeling The Future!*

## A four-year course with:

- 12 units in 1<sup>st</sup> year.
- 12 units in 2<sup>nd</sup> year.
- 10 units in 3<sup>rd</sup> year.
- 10 units in 4<sup>th</sup> year.

**All units are either:**

- Actuarial units (SAC);
- Statistical units (STA); or
- Mathematical units (SMA).

*N'ASA, Modeling The Future!*

# To get a 1<sup>st</sup> Class Honours:

- Do not fail a single unit throughout the course.
- Manage a minimum of 14 out of 20 A's in 3<sup>rd</sup> and 4<sup>th</sup> year.
- Considerations are given to students with a high subject average or those in leadership positions.

# To become an actuary:

Join a recognized professional body such as:

- IFoA - Institute & Faculty of Actuaries, U.K.
- SOA - Society of Actuaries, U.S.A.
- ASSA - Actuarial Society of South Africa, RSA.

and complete a rigorous series of professional exams  
combined with hands-on work experience.

*N'ASA, Modeling The Future!*

# When can you start the exams?

- You can start SOA exams right now if you are good enough in Financial Mathematics & Statistics!
- You can start your IFoA exams after 2<sup>nd</sup> year when you'll be ready for Financial Mathematics, Finance and Financial Reporting, Business Economics and Statistics.

# STRUCTURE OF IFoA EXAMS

- **Core Technical (CT) stage:** 9 subjects, **ALL** of which you must pass or be exempted from. CT9 is a two-day residential course.
- **Core Applications (CA) stage:** 3 subjects. You need to pass or be exempted from all the 3.
- **Specialist Technical (ST) stage:** 9 subjects. You need to pass or be exempted from 2.
- **Specialist Applications (SA) stage:** 7 subjects. You need to pass only 1.

# The professional path:

- After CT and CA exams, and a year's work-based skills, you can take a one-day professionalism course and qualify as an **Associate Actuary**.
- To qualify as a **Fellow** of the IFoA , you will need to take the ST and SA exams, have three years of work-based skills and then take a two-day professionalism course.

## You can complete your CT papers by graduation!

- CT1 Financial mathematics
- CT2 Finance and financial reporting
- CT3 Probability and mathematical statistics
- CT4 Models
- CT5 Contingencies
- CT6 Statistical methods
- CT7 Business economics
- CT8 Financial economics
- CT9 Business awareness

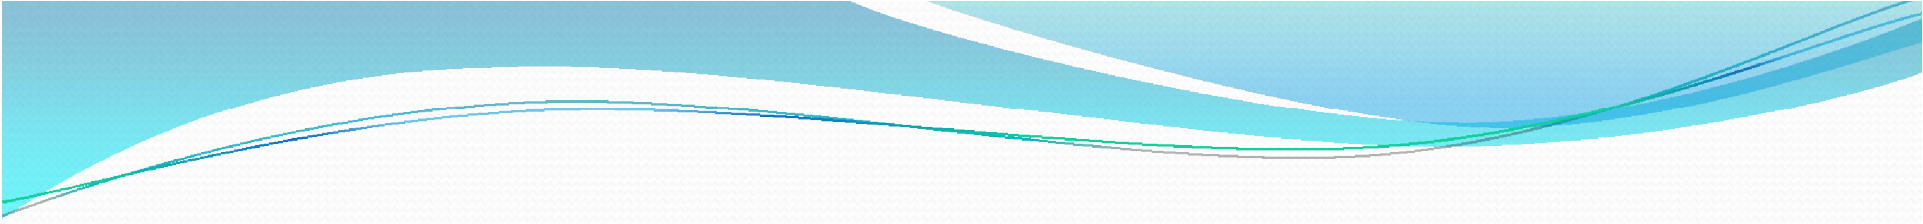

*N'ASA, Modeling The Future!*

# How much does it cost?

- The IFoA offers special rates to overseas students in commonwealth countries like Kenya.
- IFoA membership payable once costs £ 130.
- Annual subscription payable annually costs £ 69.
- One CT paper costs £ 80.

**Welcome to the world's  
top profession and all the  
best in your endeavors.**
