Once again, through the initiative of Ms. Parita Shah, the Department of Geography & Environmental Studies is privileged to receive a sponsorship for a fourth year student. Oscar Adunga Oduor, who had difficulties clearing his fourth year school fees, was kindly assisted with Kenya Shillings 34,500/- by Mr. Changanlal D. Shah of Text Book Centre, Nairobi. Oscar has now cleared his school fees. Mr. Shah has concerns for the youth of Kenya and has a vision to see that students complete their studies. At the age of 75 years, Mr. Shah is still working. He is a born environmentalist and to-date has planted over 2500 trees. Thank you Mr. Shah for the kind gesture!
