

# **dr. mulwa in kigali to present results of study on potato value chain in rwanda: challenges, opportunities and policy options on tuesday 6th august, 2013**

Date and time:

Tue, 08/06/2013 - 04:00

Location / Venue:

Kigali, Rwanda

Dr. Mulwa will be presenting results of the study, *Potato Value Chain in Rwanda: Challenges, Opportunities and Policy Options* on Tuesday 6<sup>th</sup> August, 2013 in Kigali, Rwanda. The study was carried out in Musanze and Nyabihu districts in North Western Rwanda, and is one of four value chain studies carried out in Kenya, Uganda, Tanzania and Rwanda in the months of March, April and May, 2013. These studies form a portion of the a bigger project **Enhancing adoption of harmonized standards in Eastern and Central Africa** which is funded by the Association of Strengthening Agricultural Research in Eastern and Central Africa (ASARECA).
