

NUARSA VISIT FELLOW STUDENTS WITH DISSABILITIES AT THE UNIVERSITY OF NAIROBI ON October, 2013

The best thing that one can do to someone at any given time is to put a smile on his/her face. No matter how small you can do to make one of your brothers or sisters have the self-esteem it will always count.

The globalized insensitivity has no place in the humanity race. Care, love and a sense of self-worth must prevail amongst us at all time.
