

# Access to HeinOnline By School of Law Community

Date and time:

Thu, 2013-09-12 10:35

Heinonline is a new collection which includes more than 1,600 volumes and nearly 2,000,000 pages of historical superseded state statutes\* and offers a valuable source of information for legal researchers and scholars to understand the thinking and conditions behind the creation of the historical statutes.

[Access is now available](#) to the following three core collections of the HeinOnline database.

- [Law Journal Library](#)
- [English Reports, Full Reprint \(1220-1867\)](#)
- [Kluwer Law International Journal Library](#)

The collections can be accessed via <http://heinonline.org/HOL/Welcome>.
