STAFF AND THE STUDENTS ENGAGING ON THE VOLLEYBALL UNDER ACTIVE INSTRUCTION

MESSAGE FROM THE NUARSA CHAIRMAN (DANIEL OMARI OBIRI)

The 100 days that the University of Nairobi has been involved in sensitizing students on the role of our number one university in the implementation of our constitution has been very fruitful not only to me as an individual but to the whole students fraternity and the entire country.

I will like to thank our Vice Chancellor Prof. G. Magoha, our Principal CHSS Prof. E. Njeru, our Assistant Dean of Students Pastor Ayonga, our Dean Faculty of Arts who happens to be our patron as well and the Arts students. These are the people who makes us not only shine in being the first in taking a step but constantly emerging successful in what we do and do what we do best.

“Following instruction is like following the constitution at all time and those who do that, well, they always emerge victorious. In this game we must stick to the rules of the game and see that success is on our side,” she was advising the group.

This was a clear demonstration that we ought to read, understand and act accordingly if at all we need to ensure that we win in ensuring that the constitution is implemented to the letter.
