Ultimate Brain Buster Challenge is a scholarly Baptism by Fire that engages your intellectual faculties in a fast and tensed session of mind cracking challenges that require decision making within fractions of a second.

The concept also embraces team work and group dynamics in making very fast and professionally sound decisions applicable in the corporate world.

It's a fun filled moment that probes your fast thinking and decision making process in a team setting.

**"THE TOUGHER THE CHALLENGE GETS; THE SWEETER IT BECOMES"**
