

UBRICA MEETING

Venue: UoN, CAE Principal's Board Room

Ag. Principal, CAE chaired a consultative meeting on Friday 21st 2015 between a team of six Kenyan Professionals in Diaspora (UBRICA) and representatives of University of Nairobi, College of Architecture and Engineering, Department of Biochemistry, and the University Advancement Team.

The meeting discussed a joint MOU on areas of collaboration between UoN and UBRICA focusing on the fields of Engineering, Biotechnology, Architecture and Master Planning. The meeting outlined a programme of execution of mutual projects for the implementation of the MOU.
