

COURTESY CALL BY THE DVC - RPE

Date and time: Mon, 2015-02-09 09:45

Location / Venue: SPS boardroom

The DVC (RPE) paid the Department a courtesy call, during which she shared with the members of staff and post-graduate students "The Role of the office of DVC(RPE) in Research". Susan W. Muchina from the DVC's office brought the attendees up to speed with the [Research ProfessionalAfrica](#) platform.

The platform provides postgraduate students, academics, researchers and research managers in all disciplines with comprehensive, up-to-date information on agencies, personalities, funding

trends and funding opportunities worldwide. The platform allows you to search for various grant opportunities specific to your chosen discipline and projects. Also included in the subscription package are research funding-focused news services that you will receive weekly.

Types of funding opportunities include: scholarships, fellowships, research grants, travel grants, capacity building grants, research collaboration calls and development funding from local and global funders of development projects in Africa.
