

Ministry of Energy and CAVS Biogas Inspection and Acceptance Teams Meet

Ministry of Energy and Petroleum Inspection and acceptance team visited CAVS to meet the BIOGAS Project inspection and acceptance team earlier today. The Ministry of Energy team, sent by their Principal Secretary, was on a mission to assess and accept the Biogas Project at CAVS.

Led by Eng. John Maina, the Ministry of Energy and Petroleum Inspection team expressed optimism in growth of the Biogas Project as a form of clean energy production and hailed its immense contribution towards research and innovation.

CAVS Biogas Inspection and Acceptance team was led by Prof. David Mungai.
