

CASELAP's Prof Oguge to speak at the 2nd East African Environmental Regulators CEOs Policy Dialogue Forum on green growth and environmental compliance

CASELAP Faculty and Director Prof Nick Oguge, will on Thursday 10 September 2015, speak at the 2nd East African Environmental Regulators CEOs Policy Dialogue Forum on Green Growth and Environmental Compliance. The two day workshop is being held in Naivasha.

The workshop is organized by the East African Network for Environmental Compliance and Enforcement (EANECE), an informal network that promotes good environmental governance and sustainable development through efficient and effective implementation and enforcement of environmental instruments. EANECE is supported by NEMA to organize this workshop. Outcomes will be posted on this website
