

CHS registers more than 390 freshers on day one

University of Nairobi College of Health Sciences (CHS) admitted more than 390 new students on day one of registration of first years for the 2016/2017 academic calendar.

The registration exercise kicked off on Monday 14th and will run upto Wednesday 16th at UoN's Chiromo Campus.

On Wednesday, the admitted students will be taken through an orientation exercise at Millennium Hall, in Chiromo, where they will be addressed by College Principal Prof. Isaac Kibwage.

During the orientation, the students will get full details of facilities at CHS and UoN at large.

The freshers will also be addressed by UoN Vice-Chancellor, Prof. Peter Mbithi, on Thursday September 17, 2015.

CHS expects to admit more than 500 students to undertake various medical courses at the college.
