

Wangari Maathai Institute holds induction meeting for the 2015/2016 PhD and Masters Classes.

Date and time:

Wed, 2015-09-09 08:02

Prof. S.G. Kiama, Director, Wangari Maathai Institute, Dr. Thuita Thenya, PhD Coordinator, L.N.S. Kong'ani and the 2015/2016 PhD and Masters Students after the induction meeting.

Wangari Maathai Institute for Peace and Environmental Studies holds 2015/2016 MSc. and PhD classes induction meeting at the 8.4.4 Boardroom, College of Agriculture and Veterinary Sciences, University of Nairobi, Upper Kabete Campus today the 8th September, 2015. The Institute was honored to meet with thirteen (13) PhD students and twelve (12) Masters students from diverse disciplines. While referring to the Institute's Pioneer class of 2012/2013 who were conferred with degree of Doctor of Philosophy in Environmental Governance and Management on 4th September, 2015, the students were challenged to work hard, remain committed to their studies and time frame so they can graduate in time as well.
