

## Director's address to first years

School of Nursing Sciences Director Prof. Omoni Grace Moraa congratulated and welcomed all first years admitted to the school for the 2016/2017 academic year.

Speaking during the orientation of the students at Millennium Hall 2, Chiromo Campus, Prof. Moraa advised the students to be thorough in their studies and attend classes regularly in order to excel in their careers.

She told the students that they will be attached to mentors to help them achieve their career dreams.

The students were also addressed by CHS Principal Prof. Isaac Kibwage, Deans of Schools in the College of Health Sciences, Chairmen of Departments, administrators and student leaders.
