

CENTRAL UNITS WEB CHAMPIONS SENSITIZATION AND TRAINING

Finance Department was part of web Champions sensitization and Training that was conducted by ICT at the ICT Centre Corporate Lab on Monday December 8th, 2014.

The main objective of this training was to share strategies for improving the current website status in the University of Nairobi Central Departments.

Finance Department has majorly played the role of enhancing and improving the University of Nairobi's performances in the Global Webometrics rankings by ensuring real-time presence, openness and continuity contents upload within the Finance Department.
