

## **CEBIB Signs Performance Contract 2015/2016**

**Director Centre for Biotechnology and Bioinformatics, Dr. G. Obiero receives signed performance contract for the centre for 2015/2016 from the Principal College of Biological and Physical Sciences, Prof. B. Aduda**

[Centre for Biotechnology and Bioinformatics](#) (CEBIB) has signed a Performance Contract with the [College of Biological and Physical Sciences](#). Among the targets for the year include service delivery, global competitiveness and linkages, student mentorships, student outreach activities and programmes encouraging guest lecturers, as well as sensitization on drug, alcohol abuse and HIV/AIDS. In addition, successful grant applications and funding for research projects has been catered for in the performance contract.

Notwithstanding, the PC also intergrates compliance with the consitution and national cohesion and values , where it is set to implement the President's annual report on national values and principles of governance.

Witnessing the contract signing was Registrar CBPS, Mr. Kenneth Mbali
