

PRINCIPAL WELCOMES FIRST YEAR MEDICAL STUDENTS

On the 17th September the Principal of the College of Health Sciences welcomed first year students for the academic year 2105/2016, into the College. In his introductory remarks he advised new students to be focused in their studies and avoid necessary distractions.

The acting chairman of the Department of surgery, Prof. Peter Ndauagtha also in his welcome address briefed students of expectations they will come across during their surgical rotations due in three years' time.
