

DR. HASSAN FROM UNIVERSITY HOSPITAL OF DURHAM VISITS THE DEPARTMENT.

University Hospital of North Durham handles emergency trauma surgery and other major surgery and hosts specialist services in dermatology and plastic surgery, as well as treating patients from Sunderland, South Tyneside and Gateshead.

Dr. Hassan visited the department and met the chairman, Prof. atinga and lecturer, dr. fred Sitati. Dr. Hassan is planning a collaboration with the Orthopedic department with the Unit at North Durham for an exchange and research programme for the benefit of both departments
