Location / Venue:

NAIROBI NATIONAL PARK

NUARSA in conjunction with Nairobi Green Line and KWS Participated in removing unwanted species at Nairobi National Park on 3RD AUGUST, 2013. This was in a bid to assist in the conservation of the environment and protection of wildlife. It was also a show of how patriotic they are to our country Kenya and to the future generation.

Message from NUARSA Chair.

The function of education is to teach one to think intensively and critically. Intelligence plus character-that is the goal of true education. Every man must decide whether he will walk in the light of creative altruism or in the darkness of destructive selfishness ([Martin Luther King, Jr.](#)).

Let me thank our College Principal Professor Njeru, Assistant Dean of Students Pastor Ayonga, Dean Faculty of Arts Professor Chitere and the UON Arts studentsøfamily for showing the true meaning of Education.

The CHSS college has been committed to the University strategic plan of ensuring that, we the students out as whole round graduates. This is demonstrated through our various activities that the college does support the Arts students in it.
