The Seminarø Committee of the Department of Sociology and Social Work on Wednesday 25th September 2013 organised a session to enable the Master of Arts students who had completed their fieldwork present their project papers. The following students presented their completed project papers.

1. Onyango Tobias Odera (Rural Sociology and Community Development Cluster): Effectiveness of Rehabilitation Programmes on Juvenile Delinquents in Kenya. A Survey of Rehabilitation Schools in Nairobi County.
2. Amos Mwaura (Rural Sociology and Community Development Cluster): Determinants of Desired Family Size for Young Rural Parents in Nakuru County. Case Study of Gilgil and Naivasha Districts.
3. Gladys K. Anya (Rural Sociology and Community Development Cluster) Assessment of the Influence of Life Skills Education on Reproductive Health Behaviour of Adolescent Girls in Public Schools in Kibera Nairobi.
4. Jane B. Ouko (Counselling Cluster): The Status of Female Genital Mutilation among the Abagusii. A Study of Suneka Division, Kisii County.
